All Patients - Medication Authority

I understand and give my consent for Halcyon Dermatology to retrieve/review my medication history. I understand this will become part of my medical record. A medication history is a list of medicines that all my healthcare providers have recently prescribed. It is collected from a variety of sources including: a patient's pharmacy, health plans, and other healthcare providers. Without an accurate medication history, providers at Halcyon Dermatology will not be able to safely prescribe any medications for you or perform any procedures.

All Patients - Financial Policy

I have read and understand the financial policy statement. I agree to make in-full prompt payment when billed for any and all charges not covered or paid by valid insurance benefits for and in consideration of services rendered. Further, I authorize payment directly to Halcyon Dermatology under the terms of my policy. This authorization is valid until revoked in writing. The SIGNER must complete THEIR OWN information here (if different from the patient):
